7:30 EST

Given the wake of sexual harassment and the Me Too movement to speak out, we will focus on this at our first meeting of the new year.

As background, you can read the following articles:

- How tough is it to change a culture of harassment? Ask Women at Ford

- TIME: Person of the Year – The Silence Breakers

- Ms Magazine, You Too? Here's What to Do (See attachment)

Our intent is to come out of this meeting with a list of these strategies and tactics that can be shared in various formats.

We would like each of you to **invite friends, colleagues (especially younger women) to join us**. We have the opportunity to continue this movement and leverage the momentum.
